

BALTIMORE EDUCATION COALITION

POSTCARD CAMPAIGN

Now – February 18th

Make sure Governor Hogan, Senate President Miller, & House Speaker Busch hear from thousands of Baltimore City advocates that they can't cut education funding!

STEP ONE: Commit to collecting 250, 500, or 1000 signed postcards!

Turn in your commitment cards tonight! Tomorrow, contact Sharicca Boldon (sboldon@greaterhomewood.org) or Rick Gwynallen (rgwynallen@reservoirhill.net) to arrange a time to pick up your postcards. Think big and bold! Let's aim to have 85,000 postcards, one to represent each Baltimore City student.

STEP TWO: Reach out to others and fill out the postcards.

It's easy! Give postcards to others in your community and have them simply write about what education means to them. Bring them to your school, gym, church, community association, workplace, etc. Get creative with it!

STEP THREE: Return signed postcards for delivery.

Drop off signed postcards at one of the two locations below. Feel free to drop them off as you get them. As long as they are all in by February 18th, they'll be delivered right to the desks of the Governor, Speaker, and Senate President!

FEBRUARY 18TH!
