

GET ENGAGED! HOW YOU CAN HELP STOP \$35 MILLION IN CUTS TO BALTIMORE CITY SCHOOLS

1) CALL YOUR LEGISLATOR – Friday Jan. 30th from 11 – 3pm

Help the Baltimore Education Coalition get the attention of our legislators with our “4 Calls 4 Our Kids” campaign. Simply call your legislator on Friday January 30th to let them know how important education funding is to you. After your call, post to social media using the hashtag #Stop35mCut, tag your elected officials, and watch it go viral. See the next page for more information.

*Questions? Contact Larry Schugam (lschugam@BaltimoreCP.org) or
Kim Humphrey (Humphrey@aclu-md.org)*

2) COME TO ANNAPOLIS – Monday Feb. 2nd – March 15th

The Baltimore Education Coalition is organizing regular trips in Annapolis to speak with our elected officials. We will cover the logistics – just be ready to show up and stand up for Baltimore City’s students. See “Annapolis Actions” page for details regarding dates, times, and locations.

*Questions? Contact Frank Patinella (patinella@aclu-md.org) or

3) SEND POSTCARDS TO THE GOVERNOR – ONGOING, until FEB.18TH

The Baltimore Education Coalition will be sending Governor Hogan, Senate President Miller, & House Speaker Busch thousands of postcards letting them know they can’t cut education. Write about what education means to you. Give postcards to others in your community and have them do the same. Drop postcards off at designated location & they will be delivered right to their desks. See “Postcard Campaign” page for details.
